Dear Patient:

We value that you have chosen EMMC for your healthcare needs. We take this opportunity to share with you that as healthcare professionals we are much stronger when we work together. EMMC believes in a total body approach, and this involves your nurse, dentist, cardiologist, dental hygienist, nutritionist, chiropractor, gynecologist, family practitioner, orthopedic surgeon, etc. Help us give you the care you deserve by providing us with your health care provider names.

Each professional offers a unique perspective into your health, and all are equally valuable.

We ask that you give us a hand and turn this page in when you arrive at your first visit. This information will help us keep your healthcare providers informed.
